SUMMARY OF HOURS WORKED AND HOURS AVAILABLE

This summary page may be used either separately or in conjunction with the Redi Recap section on the face of each record of duty status to assist the driver in computing his or her time. Entries should be made each day even though driver may not work on a particular day or days. The record of "Total On Duty Hours, under heading PREVIOUS MONTH'S REFERENCE representing the last 7 days previous month" right side of this page may be used to assist in computing the hours at the beginning of each month. These figures are necessary when using this page only or when recording hours of service on each record of duty status.
